### KIDS LOVE GARDENING!!!

Since the placement of the *Flowers for a Friend* sculpture on the grounds of the Hiwan Homestead museum in July, this sculpture has been a magnet for kids! "Emma", the young girl in the sculpture, offers a bouquet of flowers to her adult friend and mentor, and kids love her!! It is infrequent to visit the sculpture and not see kids mesmerized by the sculpture and playing at its base.

Ken Ball created the sculpture to reflect the intergenerational sharing of the love of nature and gardening and his goal has certainly been met! The sculpture is a tribute to Louise and Bill Mounsey recognizing all they have done for our community and the gift of the sharing of nature that they have passed on.

An enormous thank-you goes to all our great sponsors who made this project possible - the family of Joan Reynolds, the family of Sandee Ball, Pam Hinish & Tony Trumbly, the Swan Realtor Group, Coldwell Banker, Babcock's Garden & Feed, Given Trees-Tina Kellogg, Evergreen Garden Club, Evergreen Audubon, Creekside Cellars, the John Donovan Family, the Mounsey Family, JustAroundHere.com, Evergreen National Bank, Sundance Gardens, Sundance by Design, the Muddy Buck, Keys on the Green, Evergreen Elks, Zuni Signs - and to the many wonderful people who donated from our community!
